Dear Team,

At Airtel the protection of our customers data is critical and safeguarding it is our highest priority. In this regard, we would like to put on record our sincere thanks to the entire team at MISTS for their passion towards keeping the cyberspace safe and the professional manner in which a responsible disclosures made by their security researchers.

Their technical understanding, professional and ability to discover the proverbial "needle in a haystack" has led us to consider them as valued partners in the information security space.

We highly recommend Mindset Software Technologies in the field of cyber security.

Thank you,
