

Mindset Software Technologies  
Mr. Prakash Mohan  
Managing Director

### Appreciation Letter

Data security is of paramount importance to us and our customers rely on our promise to secure their data to the best possible extent. We would like to express our appreciation to Mindset Software Technologies for giving us the opportunity to further improve our performance in this field. Knowledge, level of engagement and swift communication were on highest professional level during our cooperation.

Sincerely,

ame  data

Christian Puth  
Co-Owner & CEO
