Subject: Letter of Appreciation for our Vulnerability Disclosure Audit

Dear Prakash and Team Mindset,

I am writing this letter on behalf of Checkissuing to express our heartfelt appreciation to Mindset Software Technologies and your dedicated team for your assistance with our recent vulnerability disclosure audit.

Your diligent efforts in identifying and disclosing potential security vulnerabilities in our system have been crucial to the continuous improvement and maintenance of our security posture. Your team's professionalism, expertise, and attention to detail have allowed us to address and remediate these vulnerabilities swiftly and efficiently, preventing potential data breaches and strengthening our system against future attacks.

At Checkissuing, we prioritize the security and privacy of our clients' information. Your invaluable contribution to our security infrastructure has not only fortified our commitment to our clients, but it has also enhanced the trust and confidence they place in our services.

We particularly appreciate your team's transparent communication and timely updates throughout the vulnerability disclosure process. Your collaborative approach made it easier for us to understand the potential risks and implement the necessary fixes promptly.

We consider our collaboration with Mindset Software Technologies a valuable partnership and look forward to working together on future projects. Your team's dedication to excellence in cybersecurity is commendable, and we are fortunate to have worked with such a skilled and knowledgeable group of professionals.

Once again, thank you for your outstanding service and unwavering commitment to the security of Checkissuing and our clients. We wish Mindset Software Technologies continued success, and we are eager to strengthen our partnership in the years to come.

Warm regards,

Mark Greenspan
