RE: UK2 SSL Order Form

Dear Prakash:

Thank you for bringing to our attention the issue with one of our resellers SSL order form. By notifying Comodo of this commercial vulnerability, you have helped ensure that people cannot obtain free SSL certificates without proper authorization. The Internet is a dangerous place, and as such, it is always beneficial to have security-conscious people like yourself, making sure everyone is playing fair.

You have our sincerest appreciation for helping us Create Trust Online!

Yours in Trust,

Edward Giaquinto
Director of IT
