Prakash,

We at Exclusife always make sure that the data privacy and security remains as our primary focus and highest priority which makes us a trustworthy partner for our customers.

So, we would like to acknowledge Mindset Software Technologies as a highly effective, dedicated and cooperative partner towards the cyberspace security.

We would also like to thank and appreciate the team for making us aware about scope of improvement and bringing to our attention to some possible security concerns and vulnerabilities in a professional manner.

Thanks,
Vinay Kumar
