

## Functional Analytics

*From intuition to business value*

---

To the attention of Mindset team,

I am writing to express our sincere gratitude for the work that you and your team have done to help us identify a critical vulnerability in one of our servers. Your efforts have helped us immensely in securing our network and protecting our data from potential threats by identifying our exposure to the CVE-2023-28432 bug.

Your professionalism, expertise, and dedication to your work are truly impressive. Your detailed analysis of our system and your comprehensive report have enabled us to quickly address the issue and implement the necessary security measures to prevent any further attacks.

We recognize that your work is critical to the safety and security of our organization, and we greatly appreciate your partnership with us. [REDACTED] financial reward [REDACTED] we would like to show our appreciation with this letter of thanks.

Thank you again for your outstanding work and for helping us maintain the highest level of security possible.

Sincerely,  
David Kun
