

Dear Prakash,

This letter is written in appreciation and recognition of *Mindset Software Technologies* efforts in security vulnerability research.

In addition to this letter, a [REDACTED] financial reward will be offered as a courtesy for reporting data exposure bug on our loyalty site that you reported to us. We certainly recognize the fact that you were able to detect this vulnerability accurately.

The ability to detect and report on security vulnerabilities is a valuable skill in the information security industry. It is encouraging to see that there is a growing contingent researcher, like you, who are pursuing this career.

We hope that you will accept this letter as a token of our appreciation for your efforts in detecting this vulnerability. We are all in this together as a security community and your participation and expertise is commended.

Sincerely,

Russel Bacha  
Technology Manager  
Virgin Megastore KSA
